Re: Docket DTE 01-20

Dear Ms. Cottrell:

Enclosed for filing, please find AT&T's Supplemental Response to RR-VZ-2.

AT&T's original response to RR-VZ-2 provided a copy of Order No. P866D0 requested by Verizon at the hearings. Upon review of Order No. P866D0, Verizon's counsel stated that this Order does not contain the information sought by Verizon on material costs, but references another document, FPQ SA-96-Q06414-A1, that includes the material cost breakout. AT&T supplements its response to RR-VZ-2 with a copy of FPQ SA-96-Q06414-A1.

Please be advised that this response contains proprietary information and is being provided only to the Department and parties which have signed a confidentiality agreement with AT&T.

Please date stamp the enclosed copy of this letter and return it to the waiting messenger. Thank you for your attention to this matter

Sincerely,

Katherine A. Davenport
